Pin the Web

2.5 UX Final
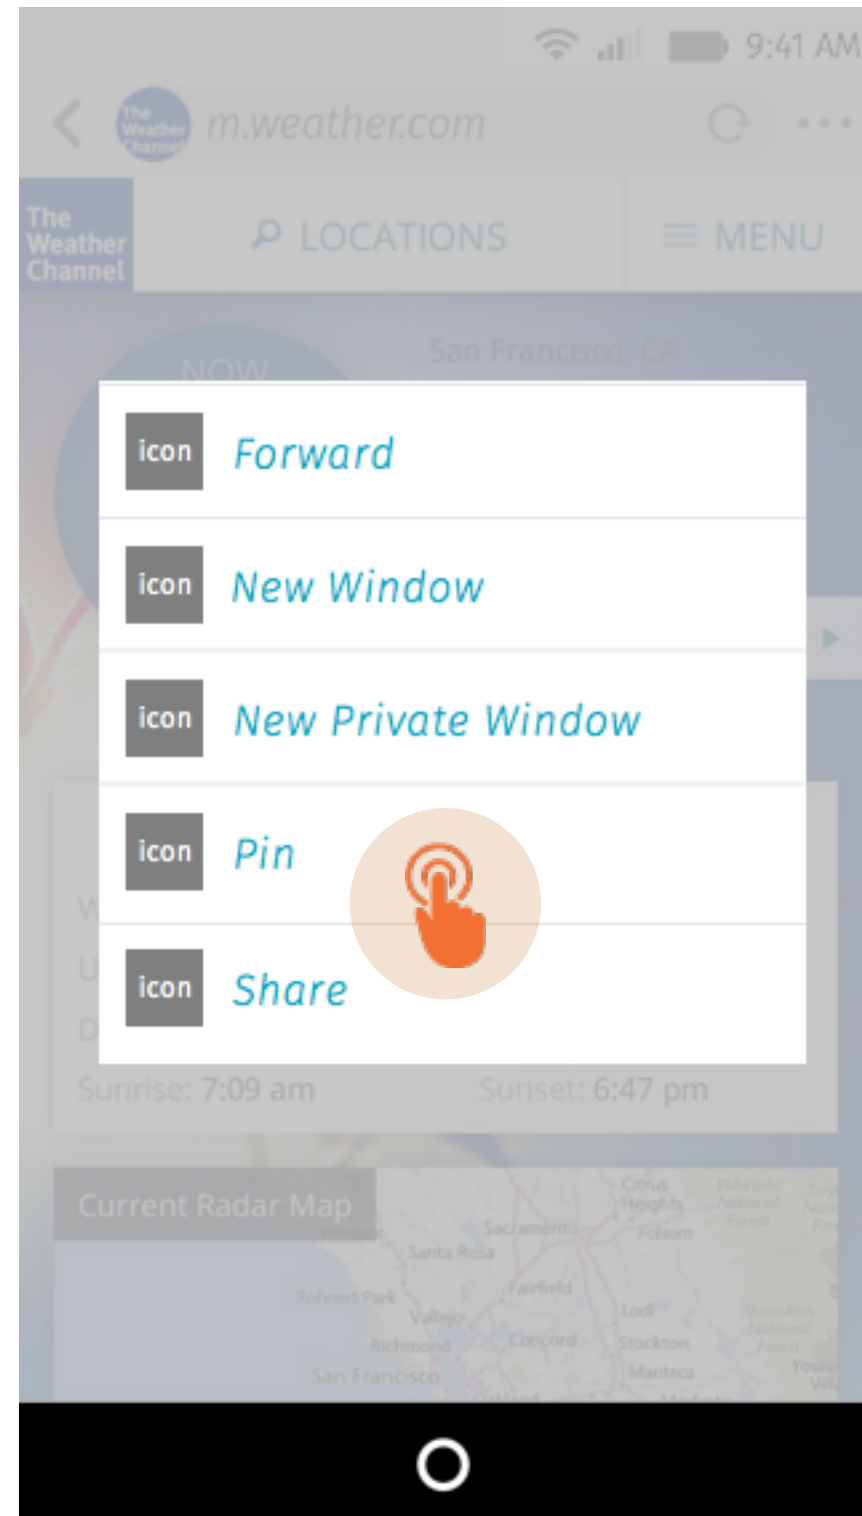

Version 0.5 October 09, 2015

Questions? Email ehunt@mozilla.com

Flow - Pin Page

1. Overflow Menu

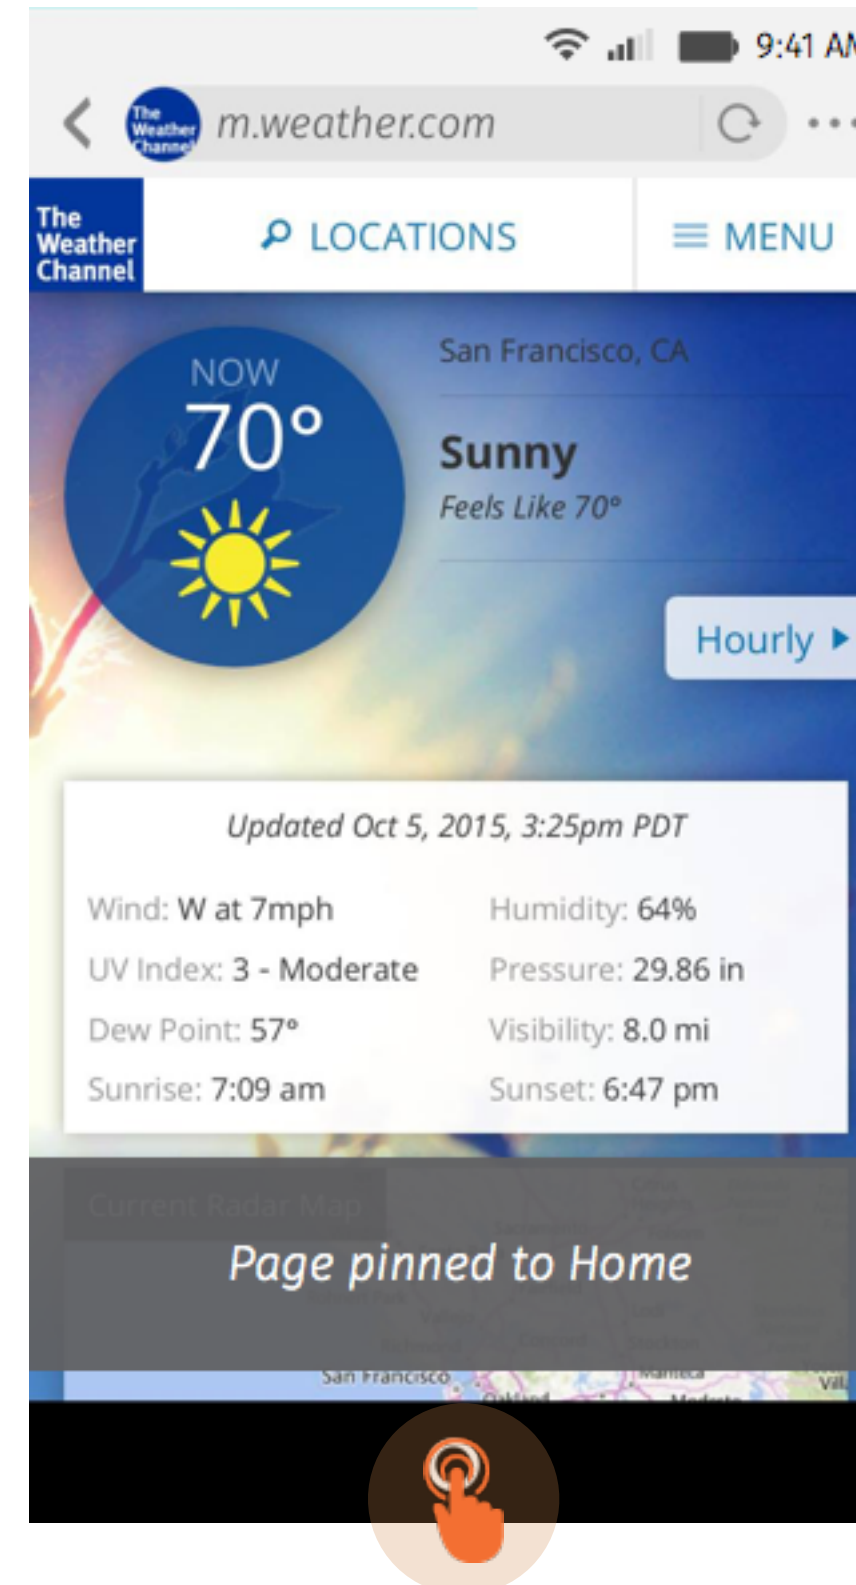

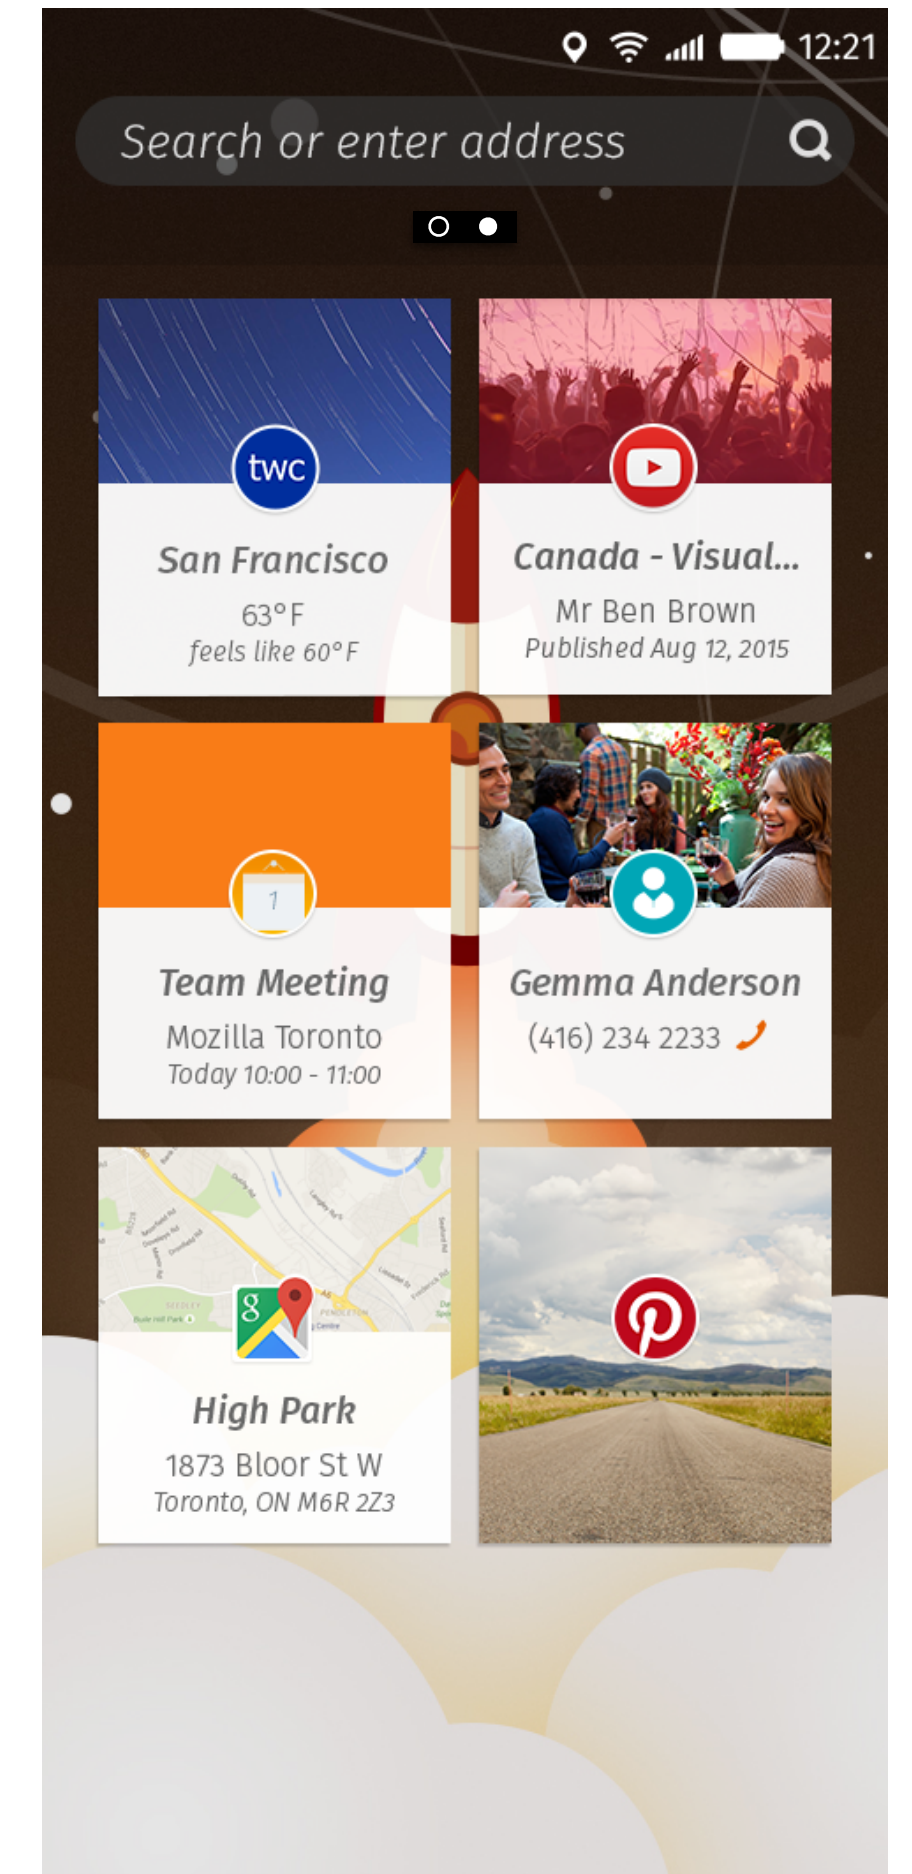

**2. PTW Dialog**
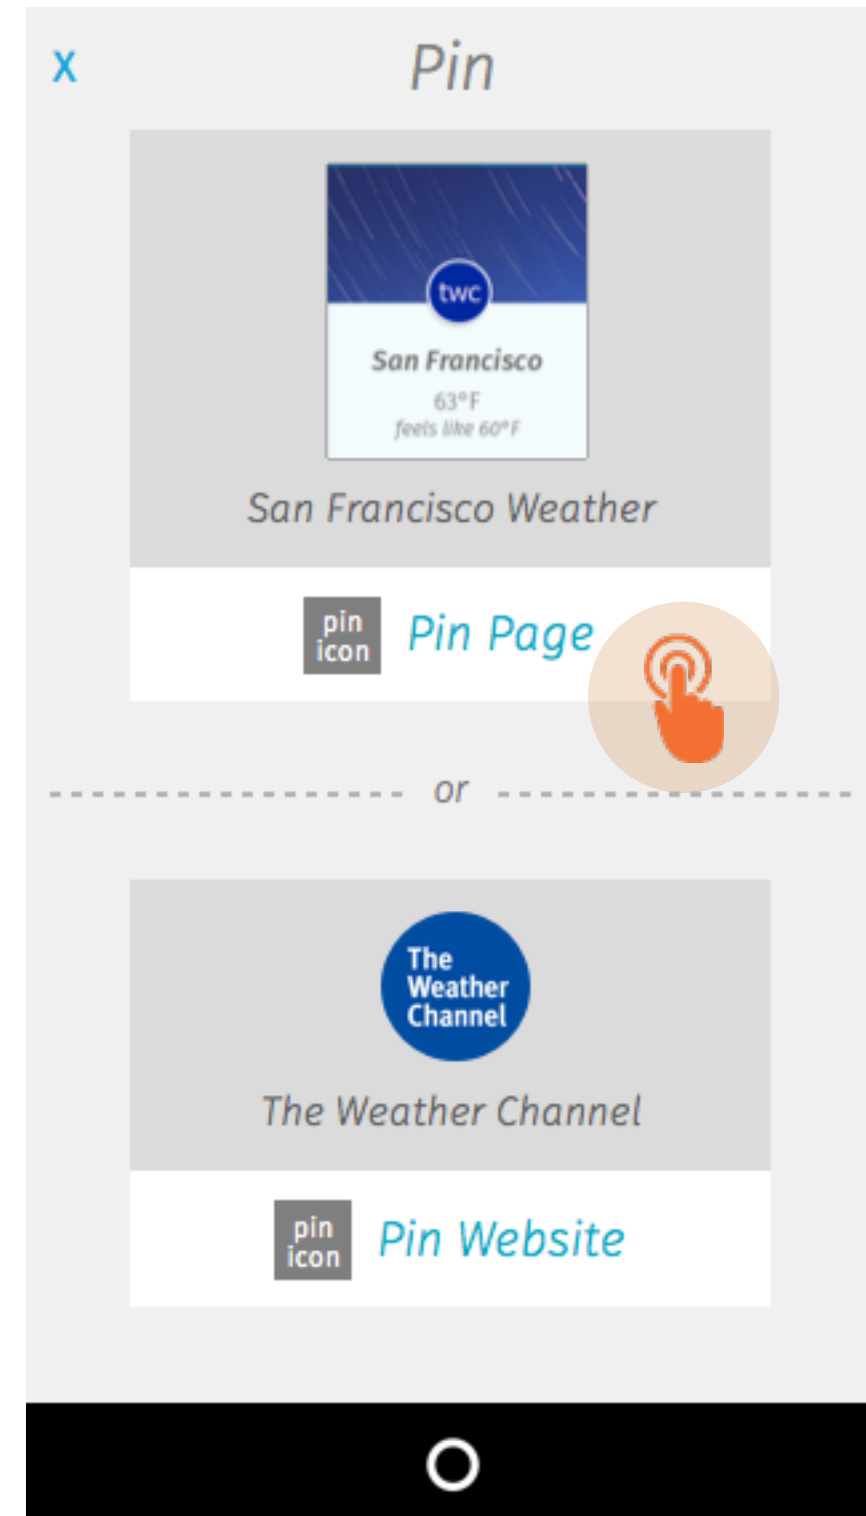

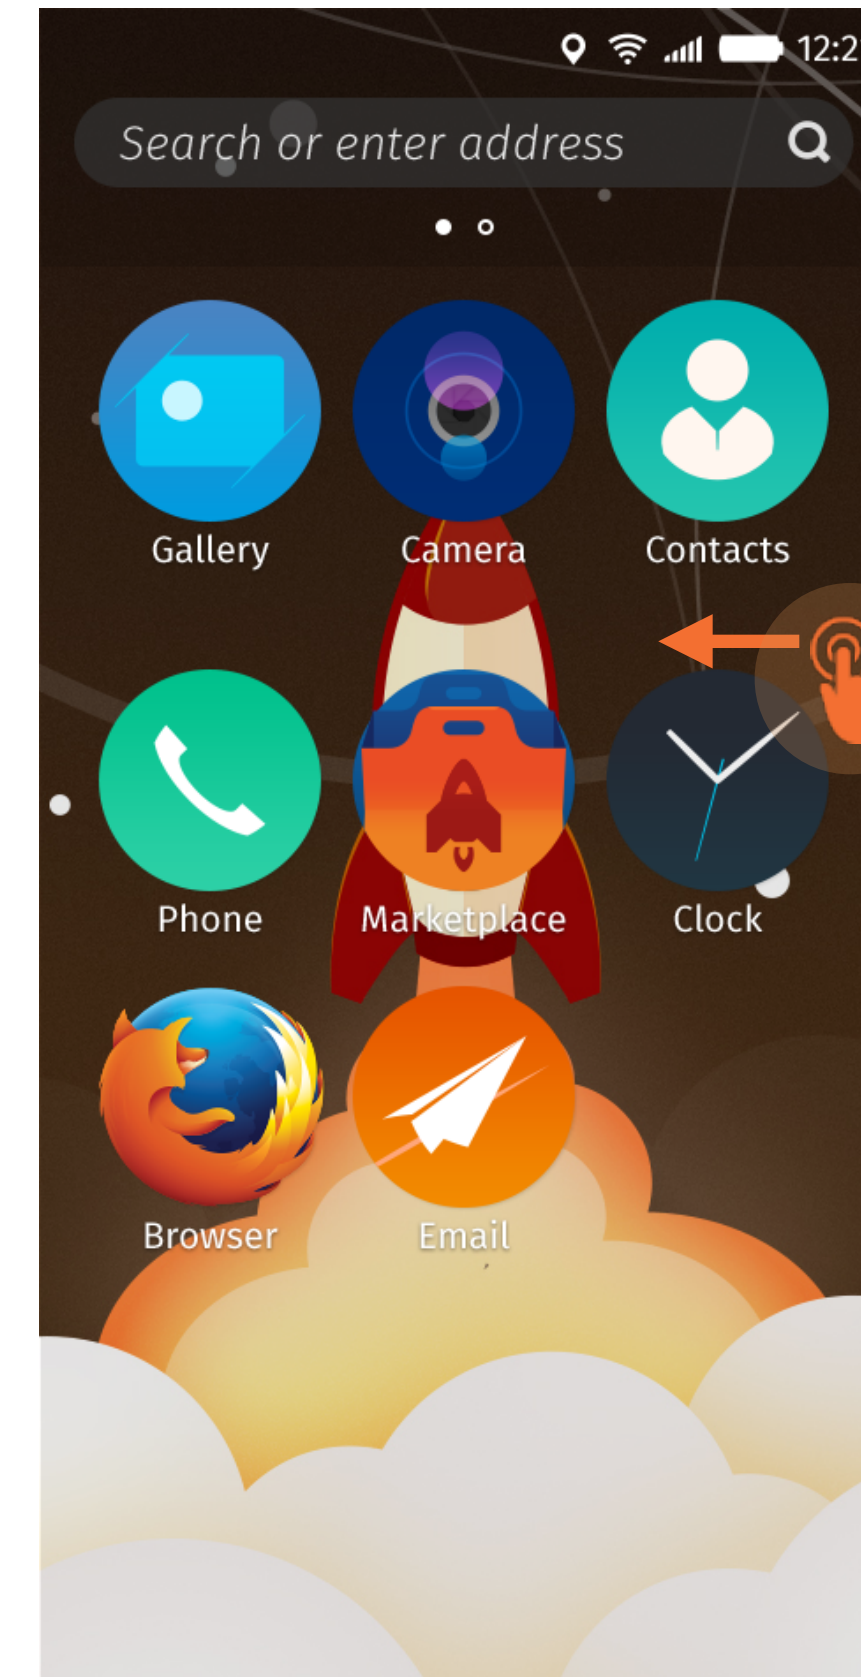

3. Toast

**4. Home pane**

5. Pinned Pages pane

Flow - Pin Website

1. Overflow Menu

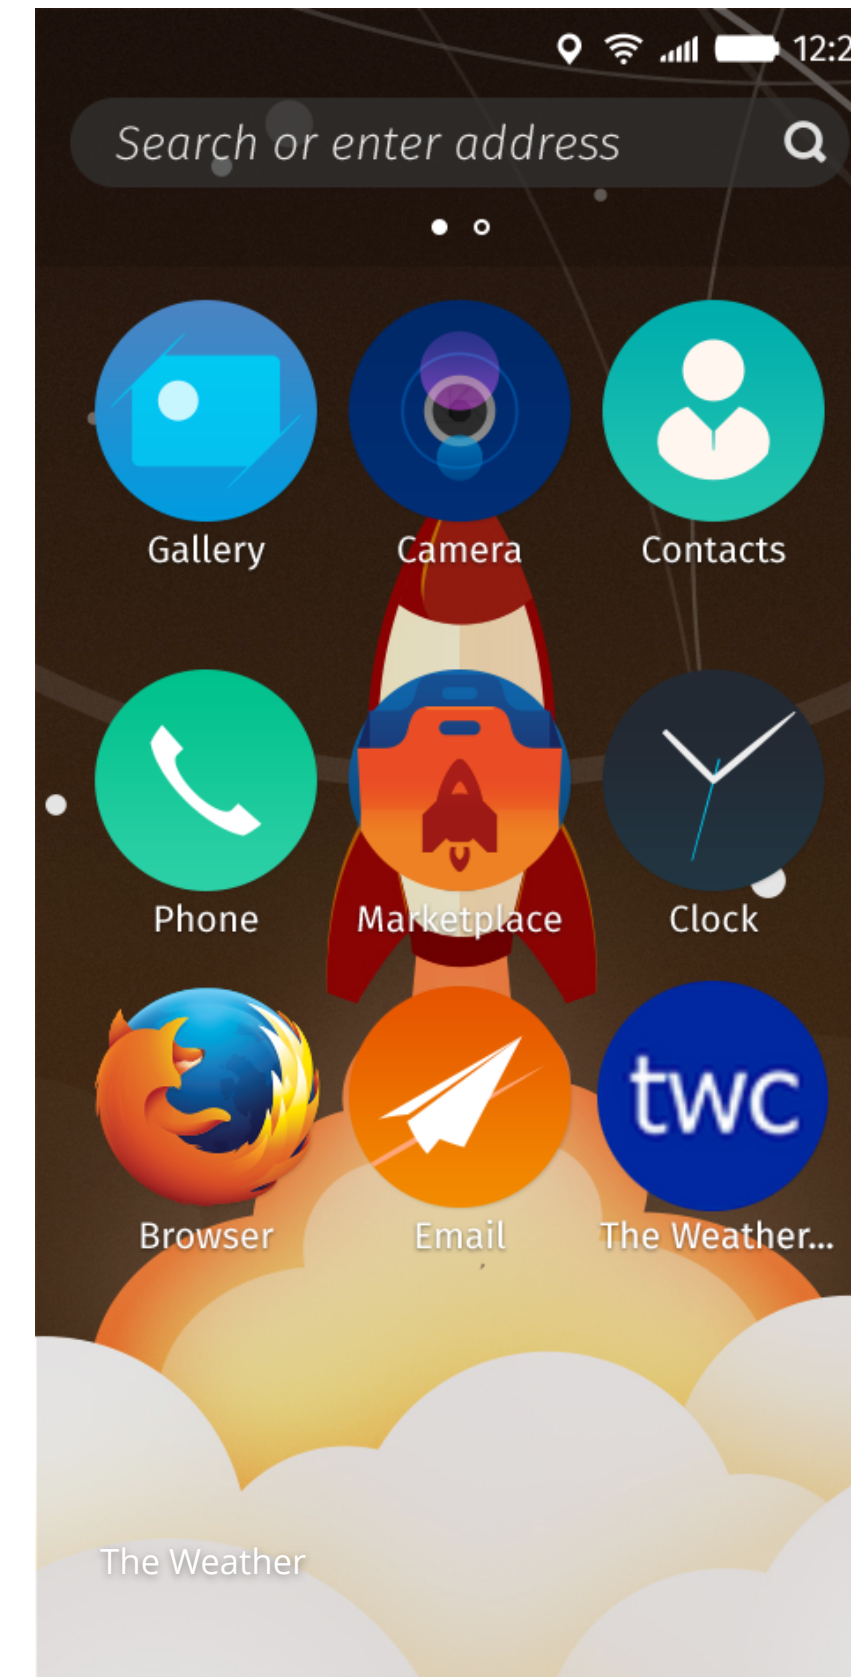

2. PTW Dialog

3. Toast

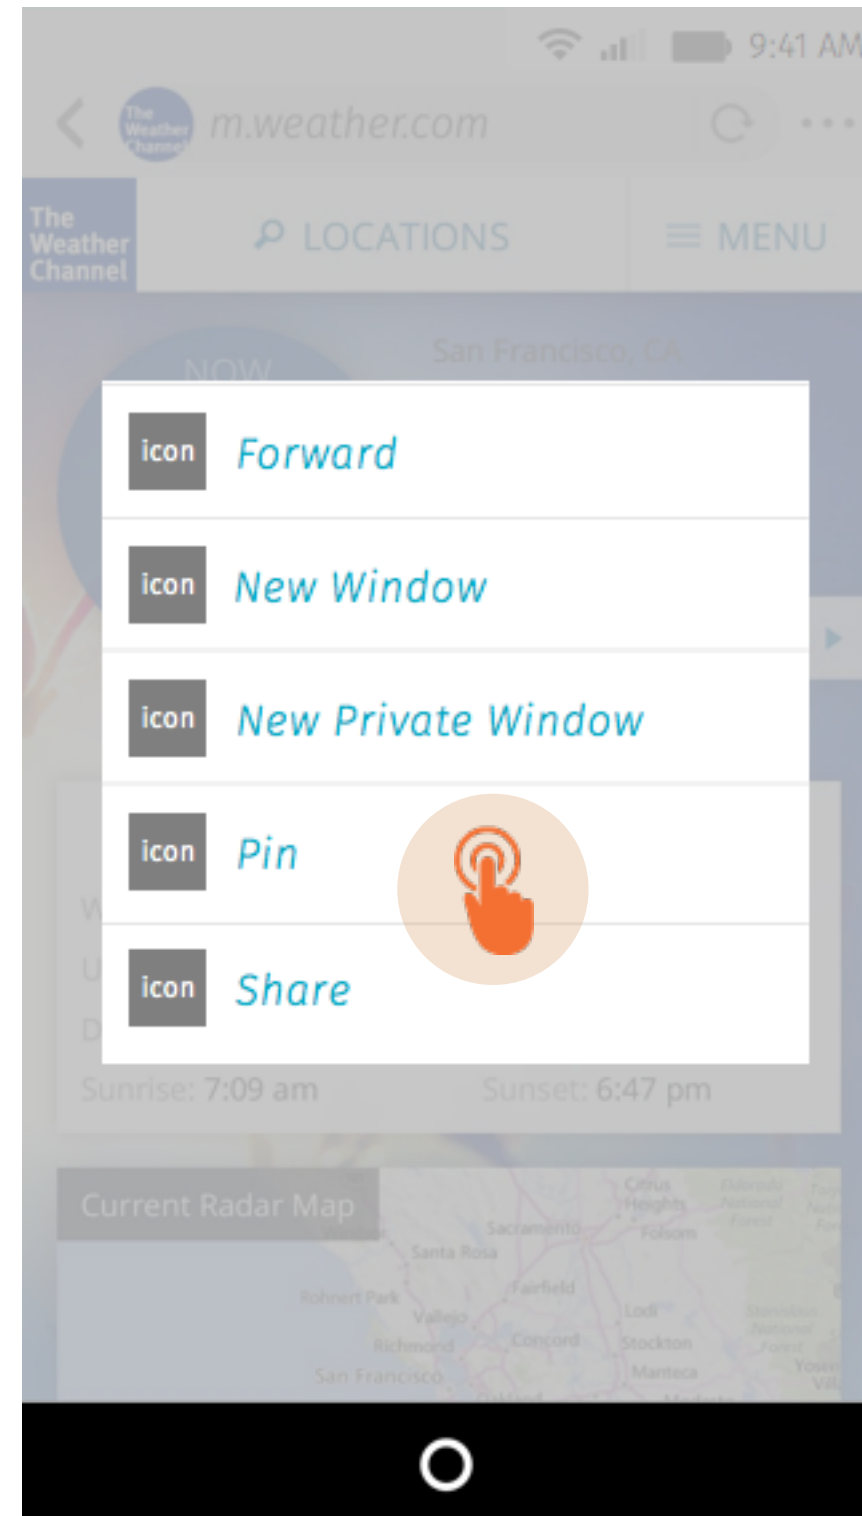

4. Home pane

# Flow - Unpin from Overflow Menu

1. Page

2. Overflow Menu

3. PTW Dialog

4. Toast

Note that user can do this much more efficiently by deleting a pinned page or site in the same way they delete an app from the home screen.
The functionality provided here is a secondary redundant way to do that.

Pinned Page pane - empty state
